A man with a beard and mustache is sitting on a metal structure, possibly a scaffolding or part of a building under construction. He is wearing a high-visibility orange long-sleeved shirt with reflective silver stripes across the chest and sleeves, blue jeans, and tan work boots. He is also wearing a white hard hat with a green and blue geometric pattern. The background is a wall made of metal diamond plate. The overall scene is outdoors, with some construction materials and equipment visible.
